Your username and password can give you access to a range of online services that are provided as part of your enrolment at TAFE NSW – Northern Sydney Institute. These include:

**DET TAFE Student Portal**

http://portal.det.nsw.edu.au

This site is also known as the TAFE NSW Student Portal and provides you with a gateway to important information about you at TAFE. You can access internet and intranet sites, email, and a wide range of online education resources.

**My Email**

Provides access to your TAFE email and contacts. For example your email address will be in the form of user.name@tafensw.net.au

**TAFE Student e-Services**

Provides access for you to view your enrolment details and module results. It also allows you to change your contact details.

**My Profile**

Use this tab to change your password and setup a secret question and answer.

**NSI Libraries e-resources Portal**

You can access online books, journals and videos (including TV News) from this site. You must use your username and password to gain access to some of the resources on this website.

**SharePoint**

Your username and password can be used to access a specific web site (called a SharePoint) that has been setup by your teacher for your course. Your teacher can store information and documents such as timetables, assessment guides and assignment handouts that you can download and print from this site. The SharePoint is only available to students who are currently enrolled in the college and course to which the SharePoint belongs. For details about your SharePoint web address see your teacher.

**Sakai**

Your username and password are required to access the teaching and learning resources your teacher has created for you on this system.
