Connecting to NSI Wireless Network

Please connect to ‘NSI BYOD’ Wireless Network

1. Click on the blue arrow to select the wireless settings. Select ‘Manual’ for proxy settings. Server name is ‘proxy.det.nsw.edu.au’ and port is ‘8080’. Please toggle authentication ON and enter your DEC username and password.

2. Click Renew Lease to apply changes, then return to home screen.

3. When you open your browser, you will now be prompted for your DEC username and password.

Unlock your potential. It starts here.
