Subject guides—library catalogues

Catalogues

The NSW TAFE Library catalogue lists all the resources held in NSW TAFE libraries. You can search by keyword, author, title and subject and also limit searches to specific types of materials and specific college libraries. The catalogue has links to, and the addresses and contact details of, all individual NSW TAFE Libraries.

Subject headings

Catalogue links to some event management subjects and availability through NSI Libraries are listed below. Please note: the search results are limited to items available in NSI Libraries. Do a new search if you want to find items held by your local library or to get results for all TAFE NSW Libraries.
