Certificate IV in Project Management

Project Management skills are in demand and can lead to a highly rewarding career. This course allows you to pursue a career in project management where you will learn how to work as a project team member or a project officer. This course allows you to apply project management skills to any industry from the design, implementation, management and closure of projects.

TAFE NSW Course No: 17871 | National Code: BSB41507 | Nationally Recognised Training

This course is delivered online

The course is based on the Project Management Body of Knowledge authored by the Project Management Institute. On completion of the course, membership to the Australian Institute of Project Management at Certified Practising Project Practitioner (CPPP) level can be obtained on payment of the AIPM membership fee.

Course delivery

This course allows you to learn project management at your own pace. You can complete your Certificate IV Project Management within one year of study, fully online, learning in your own environment at a pace that suits you. A dedicated online facilitator (teacher) manages the learning environment, communicates with students, supports student learning and provides feedback on work submitted.
