

## Fees for government subsidised courses outside of Smart and Skilled

As the State's public provider, TAFE NSW provides training and services to specific groups to meet government priorities. These courses are funded by the NSW Government outside of the Smart and Skilled reform. The fees shown below are for the entire qualification, not a semester or annual fee.

Concession fees and exemptions are available to eligible students.

Note: not all courses will be offered at the Northern Sydney Institute. Check [nsi.edu.au](http://nsi.edu.au) or call us on 131 674 to confirm availability.
