DIPLOMA OF
PROJECT MANAGEMENT
NATIONAL CODE: BSB51415

Become a qualified project manager.
Learn how to manage:
• project integrative processes
• project scope
• project time, cost and quality
• project human resources
• stakeholder engagement
• project risk
• project procurement.

Based on the Project Management Body of Knowledge 5th Edition, authored by the Project Management Institute, this course is endorsed by the Australian Institute of Project Management.

On completion of the course, membership to the Australian Institute of Project Management at Certified Practising Project Practitioner (CPPP) level can be obtained upon payment of the AIPM membership fee.

COURSE DELIVERY
Project Management is growing with importance and demand, and project managers are needed across a variety of industries. This course allows you to gain the skills you need to work as a Project Manager with the convenience of studying in your own time and place. You have up to one year to complete the Diploma of Project Management, but students can aim to complete in a shorter time frame.

A dedicated online teacher manages the learning environment, communicates with students, supports student learning and provides feedback on work submitted.

COURSE STRUCTURE
This course requires completion of twelve units of competency. The units delivered in this course are:
