DIPLOMA OF
FINANCIAL PLANNING

NATIONAL CODE: FNS50615

Gain communication and technical skills to succeed as a financial planner with this highly regarded industry relevant course.

Gain specialised knowledge to provide a comprehensive range of financial planning services across a variety of products, including those involving complex issues and innovative strategies. Individuals in these roles require well-developed skills, a broad knowledge of the financial planning sector and the ASIC regulatory framework, which will be acquired upon completion.

COURSE DELIVERY: ONLINE

This online program allows you to complete your Diploma of Financial Planning in one year. Studying online, anywhere, anytime means you can control your own learning at a pace you are comfortable with.

A dedicated online teacher manages the learning environment, communicates with students, supports student learning and provides feedback on work submitted.

Please note: From 1 January 2019, all new advisers will need to hold an approved degree and from 1 January 2024, all financial advisers will have to meet these new requirements.

Tutorial support:
Available on Mondays, 6:00 pm to 9:00 pm at Meadowbank, P Block, Level 5.

LEARNING PATHWAYS

Students who complete this course may continue with a pathway that leads to the Advanced Diploma of Financial Planning. By completing the Diploma of Financial Planning, you could be eligible to enter our Bachelor of Commerce (Majoring in Accounting or Financial Planning), available in 2018.
