eResources

Oxford Reference Online—Premium
A searchable collection of 175+ key Oxford reference publications covering 25 subject areas. Includes bilingual dictionaries, encyclopedias, subject reference, quotations, maps & illustrations and 42 x 20th century timelines.

Oxford Art Online
Provides Grove Art Online and Oxford art reference in one location. Grove Art Online provides 23000+ subject entries, 21000+ biographies and 5000+ images. Reference resources include Oxford Companion to Western Art, Encyclopedia of Aesthetics and Concise Oxford dictionary of Art Terms.

Facts on File
The Facts on File is a set of online reference databases covering ancient, medieval and modern world history, health, science, literature, issues and controversies. Most databases contain videos & flash animations.

CSIRO eBooks
This collection provides eBooks on a range of topics covering environmental issues, horticulture, landscape design, gardening, plants, food safety, ecotourism and more.

PlantFile Online
PlantFile Online is a database of commonly used ornamental and native plants including their cultivars. It covers over 8,000 plants with detailed information on over 3,000 species and 20,000+ images of plants, insects & diseases.

Joanna Briggs Institute EBP database
The complete evidence-based practice content set from the Australian Joanna Briggs Institute (JBI) is now available via OvidSP. It covers a wide range of medical, nursing, health science and aged care specialties.

vLearn videos
A range of VEA videos are now available via the eResources Portal and relevant subject guides.

Australia Standards Online
This subscription service gives NSI students and staff access to over 6,500 full-text Australian Standards.

BCA Illustrated
This online version of the Building Code of Australia (BCA). It contains both Volumes 1 and 2, and is updated regularly.

For more information call your local library on 9942 0100 or email nsilibraries@tafensw.edu.au

Updated: 31 January 2014
eResources Portal
The eResources Portal gives you access to full-text online resources purchased by your NSI Libraries and free internet databases highly relevant to students and staff at the Northern Sydney Institute.

How to access the eResources Portal?
The eResources Portal can be accessed 24x7 from any PC where you have internet access. Connect to http://www.nsi.tafensw.edu.au/libraries

Under Key eResources click on eResources Portal. Choose an eResource and click the link. You may be prompted to login.

Students and staff: need a DEC username and password to login. Please read access instructions at the eResources Portal’s website.

For information on how to obtain a DEC username and password see student administration or library staff.
